

Reeher Platform - Resources

Resources for Additional Training and Questions

iHelp

iHelp for each Viewport and screen – This includes definition of terms and a description of the Viewport.

Training

Training Videos – There are many videos available to you in Reeher Training. We suggest starting with these videos:

Introduction to the Reeher Platform

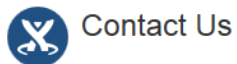

Introduction to the Annual Fund Layer

Introduction to the Major Giving Layer

Introduction to the Advancement Layer

Introduction to Targeter

Add List – Uploading Files to the Platform
