Lab WOW is your opportunity to receive one-on-one guidance with an Advancement Services Technician to assist you with getting started on your data needs and which reporting system is best to use.

Prerequisites:

- Access to AIS systems
- Must have attended Michelangelo Training
- Have a specific data inquiry that you need help either getting started or analyzing

Where & When:

- Thursday’s 2-3pm @ Meeting Room #3
- Friday’s 2-3pm @ Broadway HS

We are excited to be coming to you to help you love your DATA too!
