Reeher Platform - Resources

Resources for Additional Training and Questions

**iHelp** for each Viewport and screen – This includes definition of terms and a description of the Viewport.

**Training Videos** – There are many videos available to you in Reeher Training. We suggest starting with these videos:

- Introduction to the Reeher Platform
- Introduction to the Annual Fund Layer
- Introduction to the Major Giving Layer
- Introduction to the Advancement Layer
- Introduction to Targeter
- Add List – Uploading Files to the Platform
